

Robotics K-12

Funding Goal: \$20,000

Annually: \$14,000 / One-time Equipment Costs: \$6,000

- ★ Cover annual middle school & high school team expenses such as:
 - Team registration fees
 - Competition fees
 - Team jerseys
 - Equipment upgrades & replacements
- ★ Purchase a complete laptop set to support middle school and elementary teams
- ★ Purchase a complete EV3 equipment set to launch a district-wide grade 4-5 elementary team

Support Goal:

High School Team Mentors

- ★ Engage with the high school team for regular team meetings or one-off advising/projects
- ★ No robotics experience needed, just positive energy and experience with team building in any context
